## *Lycée Bilingue et International*

December 11, 2018

Dear Parents:

I extend my best wishes to you and your family for a joyous New Year 2019.

The Re-registration Period for 2019-2020 school year starts **January 1<sup>st</sup> through February 28<sup>th</sup> 2019**, and a contract is enclosed. Please see **yellow attachment** for payment policy. While the demand for an excellent education is always great, this year we have once again a large number of new students to place for 2019-2020. **Please heed the deadline so that your child, a current Lycée student, will not be left without a space in our school. Please take these deadlines seriously, classes fill up quickly and we are forced to turn away many of our students every year.** The re-registration fee is required of all students including scholarship students, whether the assistance is rendered by the French government or by Le Lycée Français de Los Angeles.

**Please note that our popular “Early Payment Incentive Program” provides a \$508 savings for each student re-registered, if and only if tuition, registration, refund insurance, “Books-in-a-Bag” and Art Stationery fees are paid in full by January 31<sup>st</sup>, 2019. January 31<sup>st</sup>, 2019 is the deadline and it cannot be extended.** This discount obviously does not apply to any Lycée Français scholarship or French Government scholarship recipients. We hope you can take advantage of this program.

Please keep in mind that every year, but especially at the transfer from one campus to another, we re-evaluate each student by looking at his/her behavior, work and study habits, proper wear of uniform and parental cooperation with *all* school policies, final decisions are made in June 2019.

Please note that student textbooks and workbooks from 2<sup>nd</sup> to 12<sup>th</sup> grade will be available online only at [www.lyceela.org/academics/efollett](http://www.lyceela.org/academics/efollett) at your cost.

**All tuition fees along, with the non-refundable amount of \$500, must be paid before January 31<sup>st</sup>, 2019.** However, you should remit tuition payment before then. It is safer as, by that date, most spaces will be filled. We therefore urge you to respect this deadline. When you return your contract, please enclose the required photograph (**mandatory every year**).

Please be sure to complete all of the sections of the Re-Registration Contract, especially page 4 (the back page) with the contact information, including your e-mail address. This is important as we update our Parent List every new school year. If you do not list your information here then you may not receive vital information from the school, such as Notices, Invitations, “The Lycée Link”, e-mail, etc...

We, at Le Lycée Français de Los Angeles, want to extend our thanks and appreciation for your continued endorsement of our efforts. Despite spiraling expenses, we are doing everything we can to help contain costs and feel strongly that our tuition schedule continues to offer the finest value available in private education today. We are quite proud that we can still provide the highest quality program at a cost literally thousands of dollars less per year than similar private schools. We are looking forward to another challenging and rewarding year for all our students.

Sincerely,

Clara Lisa Kabbaz, Esq.  
President
