

Already have a PowerSchool Unified Classroom Parent Account, but need to add another child?

Just follow these easy steps:

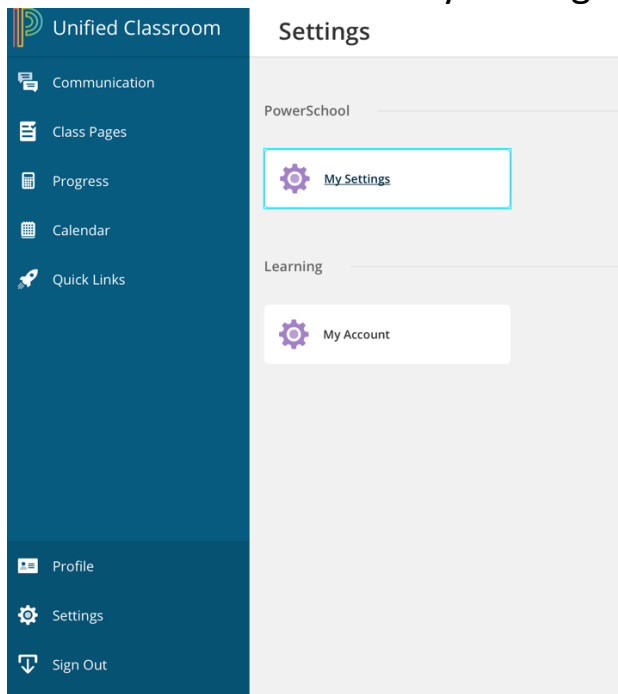

- 1) Log on to your Parent PowerSchool Unified Classroom Account
<https://classroom.powerschool.com>

- 2) Click on your name at the bottom left and click on “Settings”

3) Click on PowerSchool “My Settings”

4) Click on the “Students” Tab then “Add” button

5) Enter the Student’s info, Access ID and Password as provided on the sheet and click “Ok”.
